

The next meeting of the River Board will be held on Wednesday, August 3, 2016 in the 2nd floor offices of the Taneytown Fire Station, 39 East Baltimore Street, Tantyown. **Please note earlier starting time: 6:00pm**

This is a very important meeting as the River Board must take action (accept, reject, or modify) on the numerous edits and revisions to the Plan suggested by both Carroll County and Frederick County.

The goal is to have the draft Plan finalized either in August or September, followed closely by the 30-day public comment period.

Please bring to the meeting your copy of the June 2016 Draft Plan, the materials from the July meeting, as well as the CC 'red-line' version of the Plan (distributed at the July meeting or mailed by Byron)
